

IEEE Workshop on Climate Change: Attendee Information Survey

This survey aims to gather essential information from attendees for the upcoming IEEE Workshop on Climate Change. Your responses will help us tailor the workshop to better suit your interests and expertise, ensuring a productive and engaging experience. We seek to understand your background in climate change, your expectations for the workshop, and any specific needs or preferences you may have. Your input is invaluable in shaping an event that addresses the most pressing issues in climate change and fosters meaningful discussions and collaborations. Please take a few minutes to complete this survey. Your information will be used solely for the purpose of organizing and improving the workshop experience.
